of the Pan Arab Society of Gynaecology Obstetrics)

Pr Jean-François DUHAMEL (Professor of Paediatrics – Caen; France / correspondant  
member of the National Academy of Medecine France)

We have launched this conference under the theme of "**Join us in History**" as Cairo and Egypt settings are so conducive to a remarkably rewarding experience.

The HILTON PYRAMIDS Golf resort & spa has first-world amenities and facilities and offers attendees to the 15<sup>th</sup> Transmed congress an excellent venue

Please note however that accommodation is limited so an early reply is advised.

We have arranged numerous social events including dinner, cocktail party, golfing events. Bring your family, your knowledge, your golf-clubs and prepare yourself for the Pharaonic experience of a lifetime. The organising Committee is planning for the farewell a unique experience. It will be held **at the foot of the only surviving of the Seven Ancient Wonders : the Great Pyramid of Giza.**

We look forward to welcoming you in Cairo and invite your active participation in this international scientific event

### FREE COMMUNICATIONS

Free papers in all concerned specialities (Obstetrics, Paediatrics, Neonatology and Paediatric Surgery) will be welcomed. Delegates who are interested in presenting a free communication must realise the abstract according to the following "**guidelines for submission of abstracts**".

Deadline for submission of free communication abstracts : **15 March 2007**

### **GUIDELINES FOR SUBMISSION OF FREE COMMUNICATIONS (Platform and Posters) ABSTRACTS**

Deadline for receipt of abstract : : **15 March 2007 - This deadline will be strictly observed**

Official languages : **English, French**

The entire abstract, including title, author(s), institution(s), country and acknowledgement, must fit within a main A4 page (21 x 29,7 cm). Write in CAPITALIZE LETTERS the entire title. Then state the authors' names, listing first author who will present the paper. One space between title and body of the abstract. No space between paragraphs.

The abstract should be as informative as possible : Organize the body of the abstract to include the objective (preferably one sentence), the methods used, the results obtained and conclusion. Standard abbreviations may be used. Place special or unusual abbreviations in parentheses after the full word, the first time it appears. Use numerals to indicate numbers, except to begin sentences.

Non-proprietary (generic) names are required when a drug is mentioned, written in small letters. Proprietary names may be given in parentheses the first time the drug is mentioned.

It is preferable that the abstract be typed on "word" Software.

The abstract will be reproduced exactly as submitted in the book of abstracts. Therefore avoid errors and misspellings

The scientific secretariat will acknowledge receipt of your abstract.

You will be informed about the acceptance of your free communication about 15 days after receipt by the scientific secretary, at the latest by **25 March 2007**. Your abstract will be definitely accepted if you are registered in the congress, otherwise, your abstract will not be published in the abstract book and you will not be allowed to present your communication during the congress.

**Prizes will be awarded during the congress for the best free communication.**
